

## COVER LETTER FOR AUTHORS

Data: ...../...../.....

Dear Editor:

The undersigned authors hereby submit the manuscript entitled:

.....  
 .....  
 .....

for evaluation by the Editorial Committee of FARMACÉUTICOS COMUNITARIOS and possible publication in section:

.....

In compliance with the requirements of the journal, WE STATE the following:

- It is an original work
- It has not been published in its entirety or in partial form previously
- It is not currently under evaluation by any other publication
- All of the authors are accountable for the final version of the manuscript to which they have contributed
- If accepted for publication, we transfer all publication rights to SEFAC, exclusively giving it all rights for editing, publication, or reproduction in any format, such that none of the materials it comprises may be wholly or partially reproduced without its permission.

We also attach a statement declaring that there are no possible conflicts of interest related to this work that might affect the authors.

Primary author: .....
